The month of July is nearly over, and we have had the opportunity to celebrate the Fourth of July and Pioneer Day. On the Fourth of July and Pioneer Day we often think about how the first settlers arrived in the valley and why individuals came over to the United States and fought for their freedom. During the month of July, I always take a little extra time to think about how and when my Nonno and Nonna left their home country to come to an unfamiliar land. The courage that it took them to undergo such a journey and adventure. I hope we can think about the different ways that we are able to learn and share our heritage with others.

We would like to thank everyone that came to the Potluck Dinner. It is always a great time at these different gatherings. At the Potluck the club was able to highlight the receipt ants of the David Degiorgio/ Trentini-Italians of Utah Memorial Scholarship. This year Alex Kunzler and Hannah Judkins were the receipt ants of the scholarship. We would like to Congratulate them on al of their accomplishments and wish them the best of luck in their future adventures. We would also like to Congratulation all of the High School and College Graduates, and wish them the best of luck on their next adventures. It is exciting to see the adventures that await you.

As we move throughout the summer, don't forget about the Spaghetti Dinner on Saturday, September 20th. More details are to come, but make sure you check your calendar.

Hope everyone is having a great summer.

Ciao.
