The Thanksgiving Holiday is upon us, and we are wanting to wish you a safe and healthy Thanksgiving Holiday. This time of the year gives individuals the opportunity to reflect on the different items that we are Thankful for.

There is a variety of different items that one can be thankful for. As you are going throughout the rest of the year, I would encourage you to take a few minutes everyday to write two or three items that you are grateful for each day. It does not need to be something big, sometimes it is fun to recognize the small items that you are grateful for.

Just as a reminder, Saturday, November 29th is the Annual Trentini Hayride. This is a fun way to kick off the Christmas Season.

I hope to see everyone on Saturday. Have a great Thanksgiving Day.

Ciao.
