The leaves are prepare to change colors, it is fun to look back on what the summer months brought us, and what celebrations we will have in the Fall. I recently was in a meeting, where the speaker talked about all of the beauty that is in the world, and often times the beauty in the world is hidden and we need to take the opportunity to look for the beauty. When we look for the beauty in the world, we will start to discover other beautiful items in the world. I would like to challenge you to do the same, of look for the hidden treasures that the world has to offer. It could amaze you to see what they have to offer.

We are approaching another exciting time of the year, where we will have the opportunity to enjoy some delicious Spaghetti and Meatballs. This year we are excited to try different deserts made by our members with the "Utah Trentini-Italian Bake-Off". I am excited for this fun event, especially to taste all of the delicious deserts.

To participate, you will need to bake an Italian Desert (yes, cookies do count) to share with 15 people. When you arrive at the Spaghetti Dinner, we will have a table for you to put your desert and the recipe for it. There will be prizes for the top three deserts, along with new receipts to share with others.

The Spaghetti Dinner is being held on Saturday, September 20th at 6:00 P.M.
